I hereby authorize the following immediate family members permission to use the facilities at the Property Owners’ Recreation Center “the Sandcastle” as “unaccompanied guests” without my being present. **The fee for all family members and accompanied guests is \$5 per person per day (this includes members’ children over the age of 22). There is no charge for children twelve and under.** I will inform my family members of the rules and policies of the Center and accept responsibility for their actions while using it. I understand that “immediate family” includes parents, children, grandparents, grandchildren, and siblings. **A guest pass will be issued in the office upon presentation of a valid photo I.D. Further, I understand that neither this permission nor the presentation of the pass exclude my guests from paying appropriate guest fees at the pool and in the fitness room. Failure to pay guest fees will result in my account being charged the appropriate fees.** Please use the reverse side or additional sheet, if more space is needed. **(List only the immediate family member as head of the household - their family members will be admitted when accompanied by them to the facility.)**

 (Parties larger than ten are requested to make advance arrangements.)
- Non-potty-trained children are not allowed in the big pool - **no exceptions.**
- I guarantee that I will arrange for a front gate “Property Owner Guest Pass” for my relatives, so they will not get a ticket in the Recreation Center parking lot. (KICA Security @ (843) 768-5566).
- Property owner passes and guest passes may be picked up from the Recreation Center office anytime during hours of operation, seven days a week.
- By my signature below, I acknowledge I have read and agree to abide by the rules and policies of the Property Owners’ Recreation Center.
